Subject: Request for Permission to Use Data for Academic Research

Dear Kurdipedia Website Team,

I am pleased to inform you that I have relied on your esteemed institution” Kurdipedia.org Website” as one of the most significant data collection centers contributing to my research by a significant number of news and article at your data repository.

This study focuses on creating a dataset for Sarcasm Detection in Kurdish Sorani under title “*Sarcasm: Automated Kurdish Sorani Sarcasm Dataset (KSSD)*”, intended for submission to a peer-reviewed academic journal. The dataset will be publicly accessible exclusively for scholarly and research purposes.

Any data sourced will be duly acknowledged as originating from your agency, and there will be no commercial exploitation of the data. Should your Agency have any specific terms or conditions regarding the use of the data, I am fully prepared to adhere to them.

I respectfully request your formal consent by signing and stamping the designated area below.

Sincerely appreciate your time and consideration, and I hope for a favorable reply.

Approval Section

We officially authorize the use of publicly accessible news content from the Kurdipedia.org agency for the academic research project entitled “Sarcasm: Automated Kurdish Sorani Sarcasm Dataset (KSSD)”.

We wish you success in your academic endeavors.
